

Menopause Essentials Update

1.30-5.30pm - Saturday 25 May 2019

The Victoria Hotel, 215 Little Collins St, Melbourne

This update on Menopause is aimed at GP's, gynaecologists, endocrinologists and other health professionals who are seeking a comprehensive review of the current issues that face them in the diagnosis and management of menopausal symptoms. Presentations will include case studies and there will be time for questions.

Topics include:

- Decision making at menopause
- Menopausal hormone therapy (MHT): What's new?
- Managing menopause without hormones
- MHT in difficult circumstances

REGISTRATION FEE

AMS members: Free
